

Puketapu Preschool

explore, learn, grow

Dear parents, whanau and the Puketapu Preschool community

We recently contacted you to advise of the Executive's decision to increase preschool hours of operation from 13 May 2019 (from 8.30am until 3.30pm weekdays, including school term holidays and other extended hours by application).

Last week the Executive held another meeting with parents to clarify the new hours of operation. In response to concerns from some current parents, the Executive has decided **not to make any additional charge for those currently enrolled children that are collected at 2.45pm**. Alternatively, parents may prefer to collect their children between 2.45pm to 3.30pm (in line with the new extended hours). We will be open until 3.30pm. All future enrolments will be charged through until 3.30pm.

This notice is also to confirm that the **new extended preschool hours will now start from Monday 27 May, 2018**. We apologise for the two week delay and any inconvenience caused for you and your family.

If you have any queries regarding the new proposed hours please contact Lyn at the preschool headteacher@puketapupreschool.co.nz. The preschool aims to be flexible and responsive to families and to offer preschool hours that best suit you.

We look forward to hearing from you to discuss your children's care.
